CITY OF KINGMAN, ARIZONA WATER SUSTAINABILITY COMMITTEE
August 7, 2018, 1:30 pm
Mohave County Development Services
Cyclopic Conference Room
3250 E. Kino Ave., Kingman, Arizona**

The Kingman Water Sustainability Committee, established by the City of Kingman Common Council, is intended to function as a working committee to enhance and coordinate work between staff members of the City of Kingman, and the County of Mohave, in identifying opportunities for resource sharing and joint funding of water supply projects that will benefit residents of both the County and City in order to promote the sustainability and resiliency of the Hualapai Valley Groundwater Basin.
